

Back to School At Cascade!

Wednesday, August 15, 2018

Welcome back students and families for the 2018 -19 school year! The Cascade Union Elementary School District staff members embrace, include, and serve all students from across our community -- creating a culture of excellence. Our aim is to challenge students to be successful, continuous learners -- academically, socially and emotionally. Students . . . staff . . . families and community working together. We are proud to be the Cascade Union Elementary School District.
